Trend of Prices On Curb Exchange Again Is Irregular

undard Oil of Indiana Kentucky Move Forward Despite Reductions Made on Gasoline

grading on the Curb Exchange yes-

Answer—The Pacific Telephone and Telegraph first and collateral 5s are due in 1987, and sold recently to yield about 5.3 per cent. There is another issue of 5s, called refunding mortgage 5s, which are due in 1952. They are selling to yield about 5.5 per cent. The 1937 issue is secured by a first mortgage on the Bell Telephone system in San Francisco and a second mortgage on what was formerly the independent telephone system in that city, and a first lien, through deposit of 6 per cent demand notes, on the entire Bell Telephone system in California, Ore-

Independent Oils

Investment Information Questions of general interest to investors will be answered in this column, in which case only initials will be used. Others will be answered by mail. Address all inquiries, inclosing a stamped, addressed envelope, to Financial Editor, The Tribune, 164 Nassau Street, New York City.

New Haven 7s Not Suitable Here

not exactly what we would term a glit-edged investment, but we consider them a reasonably sound and good security.

do Others will be stitical will
defere all imperies, indicated as a control of the control of th position would be strengthened materially by exchanging the fifty shares for New York Telephone preferred or Endicott-Johnson preferred, or a combination of the two.

Price Readjustments

Further adjustment of prices is Company, published in the bank's periodical, "The Index."

"The present upward trend in wholesale commodity prices is conwell-known index numbers. The low point in the recent decline was the advance since that time has ranged from 5 to 12 per cent, depending upon the index number

The bank then points out that agricultural products have risen 17 materials, 9.5 per cent; producers' goods, 4 per cent, and consumers goods, 2 per cent."

"Many predictions," the bank cotinues, "have been made of an expected further rise in the general likely to occur, until there is a sound basis for a period of business prosperity."

Importers Complain Government Takes Up Mail and Freight Grievances

Through the efforts of the National Council of American Importers and Traders of this city, the government sent to and from Germany is being unduly delayed in England when sent over that route. The council was informed by one of its members that letters sent to Germany by this way required from twelve to fourteen days

has brought to the attention of the government is the refusal of railroads tion, the council has been informed.

Silk Mills Resume Full Time SPRINGFIELD, Mass., July 19.—The William Skinner & Sons silk mills of Holyoke, one of the most prominent concerns of its kind in the country, have resumed full time operations, it was learned to-day, after a period of partial suspension lasting for several months. The mills normally employ about 3,000 operatives. Improvement in the six trade was the cause of the renewed activity.

Defends Acts in Management
camping equipment. Khaki clothing
for both men and women, hiking boots
and rubber soled shoes, tents, outdoor cooking utensils, knapsacks,
cones and similar items are enjoying
an unprecedented demand. Surplus
government supplies are good sources
for much of this equipment, and large
jobbers who have stocks on hand are
doing a big business, they say.

One factor in the trade attributes
the growing demand for such goods to
the fact that the English habit of

Building and Loan Societies

Made Best Gains Last Year

PORTLAND, Me., July 19.—The greatest increase in the membership of building and loan associations ever recorded in a single year was reported for last year by H. F. Cellarius, of Cincinnati, secretary of the United States League of Local Building and Loan Associations, at the annual meeting of the league to-day.

"Eight hundred and forty-seven thousand new members were enrolled in the United States last year," he said, "an increase of more than 17 per cent. The total membership now numbers 5,809-888. The total resources of these associations are \$2,890,764 621, or net increase for the ways of \$250,0764 621, or net increase for the ways of \$250,0764 621, or net increase for the ways of \$250,0764 621, or net increase for the ways of \$250,0764 621, or net increase for the ways of \$250,0764 621, or net increase for the ways of \$250,0764 621, or net increase for the ways of \$250,0764 621, or net increase for the ways of \$250,0764 621, or net increase for the ways of \$250,0764 621, or net increase for the ways of \$250,0764 621, or net increase for the ways of \$250,0764 621, or net increase for the ways of \$250,0764 621, or net increase for the ways of \$250,0764 621, or net increase for the ways of \$250,0764 621, or net increase for the ways of \$250,0764 621, or net increase for the ways of \$250,0764 621, or net increase for the ways of \$250,0764 621, or net increase for the ways of \$250,0764 621, or net increase for the ways of \$250,0764 621, or net increase for the ways of \$250,0764 621, or net increase for the ways of \$250,0764 621, or net increase for the ways of \$250,0764 621, or net increase for the ways of \$250,0764 621, or net increase for the ways of \$250,0764 621, or net increase for the ways of \$250,0764 621, or net increase for the ways of \$250,0764 621, or net increase for the ways of \$250,0764 621, or net increase for the ways of \$250,0764 621, or net increase for the ways of \$250,0764 621, or net increase for the ways of \$250,0764 621, or net incre
